YOUR DESIGN · LOW MOQ

PROBLEMS WE SOLVE

Eight problems brands face. Our fix, and the proof.

	THE PROBLEM	OUR FIX	THE PROOF IN THIS CATALOGUE	
01	**Your design. Their minimums.** Custom design only comes with huge order quantities.	✓ **Your design. From a low MOQ.** Start small with your artwork. Move to standard MOQs as you grow, for the best price.	Order terms: low MOQ to start, standard MOQs for the best price	p. 24
02	**Out of stock when it matters.** Supply that stops and starts instead of flowing.	✓ **Repeat orders, same spec.** Keep the material, size and finish the same, order after order.	Built for repeat orders: same spec, order after order	p. 7
03	**Great sample. Different bulk.** Batch two drifts from batch one.	✓ **What you approve is what you get.** Your approved sample is the standard for every reorder. Every board is checked before packing.	Inspection bench: every board checked before packing	p. 4
04	**Every change is a fight.** A new size, colour or artwork becomes a negotiation.	✓ **Any design, size or colour.** Tell us once. One team handles every change.	16 standard sizes, any size to your brief, any frame colour	p. 22
05	**Middlemen take the margin.** Higher prices, and nobody owns the quality.	✓ **Straight from the maker.** You deal with the factory. One team owns the price and the quality.	Our own factory in Noida, nine stations under one roof	p. 3
06	**Four vendors. One headache.** Printer, cutter, framer, packer. Dates keep moving.	✓ **One partner. One roof.** Printing to packing in our Noida factory. Repeat orders match your approved sample.	Nine stations, from artwork to carton	p. 4
07	**It arrives damaged.** Glass cracked, corners crushed, returns piling up.	✓ **Checked, then packed by us.** Every board is inspected, then packed on our own packing line, in your pack.	Storage, packing and dispatch	p. 29
08	**Surprise costs. Then silence.** Extras appear after the price. Replies slow down.	✓ **Clear terms. A real reply.** Samples are paid, and the cost can be adjusted against the final order. A sample plan and a price within 2 working days.	Five clear steps, clear order terms	p. 25

Skip the middleman.
